“一模”考场优秀英语作文点评

2023 海淀“一模”题目①

假如你是李华,你校英语公众号将推出以“科技”为主题的系列推送。请你用英文给公众号留言,介绍一个你认为最实用的设备(device)或应用程序(app),并描述它给生活带来的便利。

提示词语:technology, communicate, learn, convenient, time-saving

提示问题:What device or app do you want to introduce?
What benefits does it bring to people?
Technology is now becoming more and more important in our life.

人大附中航天城学校学生 喻菁舫

Technology is now becoming more and more important in our life. With the rapid development of modern technology, a variety of apps have come to our view. From my perspective, WeChat contributes the most to our daily life. Sending messages is the key function of WeChat. The forms of chatting include traditional texting, audio recordings, and emojis that delineate our moods. We may also share spectacular memories with our friends by posting them in moments.

该学生作文逻辑清晰,先介绍微信这一app,再对微信的使用做了具体介绍。同时,学生利用逻辑连接词(to begin with, besides, in addition)从多方面介绍微信给我们生活带来的好处。此外,该学生作文用词丰富,短语使用多样

It is WeChat that benefits our life significantly. To begin with, WeChat strengthens the attachment between family and friends separated by distance, allowing us to bond with those we care about. Besides, encountering people with divergent lifestyles broadens our horizons and enriches our lives. In addition, with globalization becoming the status quo in vast aspects of the society, WeChat may be the link that unites global citizens as one to summon human power against common threats.

化,如 with the development of, a variety of, from my perspective, enrich our lives等。学生灵活运用各种句型,比如强调句、从句、非谓语、被动语态等,使文章层次清晰,语言生动灵活,观点有深度。

Technology is now becoming more and more important in our life. Today I want to introduce Wechat, the most useful app for some reasons.

Wechat has now become a powerful tool that we will need. Not only can people chat with our friends online, but also we can

gain more knowledge. What's more, Wechat makes our lives much more convenient, where we can scan the QR code to pay for the things we buy.

Wechat plays an important role in our life. We should make good use of it instead of losing ourselves in it.

较多,作者多处使用短语如 not only but also, pay for, play an important role, make good use of等。另外,作者使用的高级词汇如 powerful, convenient等,也使文章增色不少。该文还需要在中间部分补充材料,从不同层次增加微信好处的描写,使文章内容更加丰富,层次性更强。

清华大学附属中学永丰学校学生 张越然

Asking for help plays an important role in our life. I would like to share my story of asking for help.

I used to be weak in English, which made me depressed for a long time. One day, I shared this problem with my friend, Li

Tao. He didn't tell me how to work out the problem immediately, after that, he always shared an interesting story in English on the way home and discussed it with me. Little by little, I found it easy to follow the teacher in class,

and I even won an English speech competition. More importantly, I found the confidence.

From this experience, I have learnt that asking for help has a positive influence on both study and personality.

Dear Martin,

I'm glad to know that you're coming to visit Beijing. If every landmark is a star, then I think Tian'anmen Square must be the shiniest one.

Tian'anmen Square is glorious and spectaculars. It's over four thousand eight hundred square meters. In 1949, Chairman Mao gave us a speech about the found-

ing of the People's Republic of China. As a result, it is very meaningful to Chinese people, so I encourage you to have a look. It must be impressive to you.

The reasons why I think the Tian'anmen Square is a famous landmark are as follows. Firstly, just as what I've said before it's magnificent. What's more, it is located in the center of Beijing,

and it is the place every Chinese longing for a visit. Last but not least, it plays an important role in Chinese history. All in all, it should be the landmark in Beijing.

I hope the above is helpful. Please feel free to ask me if you have any questions.

Yours,
Li Hua
